NYE ELEMENTARY SCHOOL

SCHOOL PARENT COMPACT

This School Parent Compact is in effect year 2020-21.

Nye Elementary distributes to parents and family members a School-Parent Compact. This Compact, which has been jointly developed with parents and staff, outlines how parents, students and staff will share the responsibility for improved student academic achievement. This Compact describes specific ways stakeholders will partner to help children achieve the state's high academic standards. This Compact addresses the following legally required items, as well as other items suggested by parents and family members of students:

REQUIRED SCHOOL PARENT COMPACT PROVISIONS

Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables participating children to meet California's student academic achievement standards.

Hold parent-teacher conferences annually during which this compact will be discussed as it relates to the individual child's achievement.

Provide parents with frequent reports on their child's progress.

Provide parents reasonable access to staff.

Provide access to staff, opportunities for parents and family members to volunteer and participate in their child's class, and to observe classroom activities.

How does the school address this?

- Nye Elementary convenes annual meetings to inform parents about the right to be involved. This is usually done in connection with our school-wide parent meetings, Back to School night and online learning formats such as Class Dojo.
- Back to School Night and Parent Teacher Conferences and report cards are a few ways in which our school informs our parents about their student's progress.

The school engages parents and family members to improve the achievement of their children in meaningful interactions with the school. This Compact supports a partnership among staff, parents and family members, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices:

The school provides parents and family members with assistance in understanding the state's academic content standards, assessments, and how to monitor and improve the achievement of their children in which ways?

- During Back to School Night, school staff provide an in-depth outline of what students will be learning during the year and the academic standards for students. Teachers demonstrate different assessments that will be administered during the year and explain that there will be multiple opportunities during the year to discuss student progress.

The school provides parents and family members with materials and training to help them improve the achievement of their children in which ways?

- In the 2020-21 school year, Nye staff will provide parent training to discuss how to support students with academic progress. We will provide sessions that target culture and climate, homework, literacy, math, and understanding of assessments that are administered during the year, such as CAASP, ELPAC, GATE, and DRA.

With the assistance of parents and family members, the school educates staff members in the value of parent and family member contributions, and how to work with parents and family members as equal partners in which ways?

- During the school year, school staff work together to support families who are economically disadvantaged, and Students with Disabilities, to explain academic progress in parent friendly language.

The school coordinates and integrates parental involvement programs with other programs, and conducts other activities, such as resource centers, to encourage and support parents and family members in more fully participating in the education of their children in which ways?

- Nye Elementary convenes an annual meeting to inform parents about their rights to be involved in SSC, ELAC and PTA. This is usually done in connection with our Back to School nights. Nye's Class Dojo, bulletin boards, monthly calendars, school newsletters, flyers, phone calls, marquee, and website are used to advertise parent meetings and training sessions offered at Nye and off site, such as:
- The school distributes information related to school and parent programs, meetings, and other activities to parents and guardians in a format and language that they can understand.
- The school provides written and oral information to families in both Spanish and English. Translation is also provided to better serve our families.

The school provides support for parent and family member involvement activities requested by parents and family members in which ways?

- Nye convenes an annual meeting to inform parents about the right to be involved. This is usually done in connection with our Back to School night and Monthly Principal Chats.
- With the support of the District's Family Engagement Department, the school administers a needs-assessment to survey parents on topics and activities that would support their child.

The school provides opportunities for the participation of all parents and family members, including those with limited English proficiency, disabilities, and migratory students; and that the information and school reports are provided in a format and language that parents and family members can understand in which ways?

- During the school year, school staff work together to support how to work with families who are economically disadvantaged and have students with special needs, and explain academic progress in parent friendly language through Principal Chats, Back to School Night, Parent Conferences and communications sent home to parents.

This Compact was adopted by Nye Elementary on October 1, 2020 and will be in effect for the period of 2020-2021.

The school will distribute the Compact to all parents and family members of students participating on, or before October 30, 2020.
